

Federal Ministry
of the Interior, Building
and Community

Berlin Declaration: Shaping a value-based digital transformation in Europe

8 DECEMBER, 15:00 – 16:30 p.m. CET

LIVESTREAM
www.digital-eu2020.de

Markus Richter
State Secretary &
Federal Government CIO

Markus Richter became State Secretary at the Federal Ministry of the Interior, Building and Community in May 2020. At the core of his work for the German EU Council Presidency as Federal Government CIO is the advancement of the value-based European transformation.

Daniela Stockmann
Professor of Digital Governance
at the Hertie School

In her current research Daniela Stockmann focusses on the challenge of tackling harmful content spreading on social media platforms. She also worked as active policy advisor for the Dutch Ministry of Foreign Affairs, and the German President Steinmeier during his visit to China in 2018.

Siim Sikkut
Government CIO of Estonia

Siim Sikkut is the Government CIO of Estonia, also titled as Deputy Secretary General for IT and Telecom in Ministry of Economic Affairs and Communications since March 2017. His role is to set the strategy and policies, to launch and steer strategic initiatives and regulation in areas of digital government and cybersecurity in Estonia.

Paul Hofheinz
President and Co-Founder of
the Lisbon Council

Paul Hofheinz worked as a strategic adviser to European governments and frequently appears as speaker on topics including AI and European politics. With the Lisbon Council, he plays an important role as a policy adviser through researching and evaluating political decision-making.

Julia Kloiber
Managing Director at Superr
Lab & Partner at Ashoka

Julia Kloiber is a digital expert, who advocates for openness, equity and diversity. In the past 10 years, she has worked with several national and international civil society organizations such as Open Knowledge Foundation, Mozilla Foundation, Ashoka and her newly founded organization Superr Lab.

Carmen Hentschel
Moderator

Carmen Hentschel is a keynote speaker and moderator for conferences relating to digital transformation. She has been working with numerous national and international companies as well as government institutions.
